

Position: Technical Coordinator - Horticulture

The Uttarakhand Forest Resource Management (UFRMP) Project, requires services of Technical Coordinator-Horticulture for the project on a fixed term (initially for 3 years) contract, to be renewed on the basis of performance and need of the project. Selected candidate would be on probation for a period of 6 months for assessing his/her suitability for the job.

Background

UFRMP has a mandate for eco-restoration of selected sites and livelihood support for people dependent on forests. The project is working across 750 Van Panchayats in Garhwal and Kumaon. As part of its mandate, UFRMP aims to develop multipurpose tree species (e.g., walnut) for temperate climate in the project areas. In this regard, the project has signed an MoU with Central Institute of Temperate Horticulture (CITH), an ICAR institute to provide grafted walnut seedlings developed by CITH at their institute at Mukteshwar, Uttarakhand including research, capacity building of all the stakeholders and other advisory support to the project.

Responsibilities

The Technical Coordinator – Horticulture would work on behalf of the project with scientists from CITH. The services of the Expert would also be required for development of other horticulture species of temperate climate in collaboration with CITH. The Technical Coordinator – Horticulture will be required to work in close coordination with CITH on behalf of the project. The incumbent of the position reports to the Chief Project Director, UFRMP.

Minimum Eligibility

- The position will require a person to have a Post Graduate Degree in Agriculture/Horticulture.
- The person should have post qualification experience of at least 10 years in the relevant field.
- The candidate should have experience of working in externally aided projects at the field level.
- Candidates should not be more than 55 years of age on the last date of submitting the application.
- Candidate should be medically and physically fit as he would be required to travel and walk in hilly areas of the State.

Desirable

- Candidates having PhD. in related fields would be given preference.
- Candidates who have worked in externally aided projects and other similar livelihood projects on horticulture development in hilly eco-systems would be preferred. Experience of walnut growth propagation will be preferred.
- Candidates who understand the geography and culture of Uttarakhand and have worked in the State would be given preference by according weightage in evaluation of the candidates.

Duration: Initially for a period of 3 years with a possibility of extension.

Remuneration: Remuneration would be commensurate with experience and qualifications.

Application Process

The applications must reach on or before 13 June, 2017 by 05:00 PM with a **copy of Curriculum Vitae and a one page write up on suitability for the position**. Applications can be sent by e-mail to ufrmp@nrmc.co. Applications must also be sent by post to the following address:

Director
NR Management Consultants Pvt. Ltd.
103 Valley View Residency
Canal Road
Near IT Park
Dehradun – 248001

Applicants must send their Curriculum Vitae as per the prescribed format (**download CV format**). Late applications and applications not in the prescribed format will be summarily rejected.

Only shortlisted candidates will be notified.
