Subject: Request for Proposal for developing Organic Villages under UFRMP.

Office Memo

In view of inadequate response to the Request for Proposal (RFP) for developing Organic Villages even after extension of last date for submission to 5th October, 2018, it is decided to cancel the same. It is also decided to return back the proposals (unopened) received in response to our RFP advertisement in original to the concerned NGOs/Trusts/not-for-profit companies.
